The Cooperative is giving back! Not just in Capital Credits, but with New Lower Prices!

Thank You for your continued loyalty.

You being a part of this Cooperative puts people first. Allowing those living in rural areas access to state-of-art Internet and Wi-Fi from a most reliable network: fiber broadband. We can ALL be proud this partnership and of our collective efforts!

You're Invited

Holiday Open House

Tuesday, December 16
from 1 to 3 p.m. at RC building in Wilmot

Holiday Open House & Retirement Party for Bob Meyer

Thursday, December 18
from 1 to 3 p.m.
at RC in New Effington

It's Capital Credit Pay Out Time Again!

We are proud to announce, RC Technologies will be paying out capital credits to its cooperative patrons again this year in mid-December. This year's payout totals \$570,000. Checks will be mailed out in mid-December, adding more joy to the holiday season.

Amounts equal to or less than \$24.99, checks will not be written, but instead applied as a one-time credit to your monthly RC bill. Customers will see this credit on their January bill on the first page. The Distribution of Capital Credits is a top benefit of belonging to a cooperative. To learn more about capital credits, visit our YouTube channel, RC Technologies New Effington, SD.

Benefits of Being a Cooperative Member

Thank You Bob!

29 Years

**HAPPY
RETIREMENT**

ROBERT MEYER

May your days ahead be
filled with happiness, health,
and new adventures.

Robert Meyer, who many know as "Bob"... is retiring after 29 years of leadership on RC Technologies' Board. Bob has served as the Board President for 25 years and is currently Director from now through end of this year. Over his 29-year career, Meyer also served on the South Dakota Association of Telephone Cooperatives (SDATC) Board as a Director, Vice President, and later President.

From the earliest day of landline phones to today's state-of-the-art fiber broadband technology, Bob has been the part of the steady leadership through every innovation, challenge, and milestone. Some which included the purchase of the former elementary school in New Effington in 2018 which currently serves as RC Technologies' Headquarters as well as property purchased for the construction of the new shop buildings in Wilmot.

Through nearly three decades, Bob has assisted in bringing a variety of technology to area homes and businesses, starting with Dial-up Internet to DSL, Wireless Internet and Wireless TV, Internet, Traditional TV, and of course, now RC's 100% fiber-optic network, through which his legacy will continue.

Please join us in thanking Bob Meyer for his outstanding contributions to RC Technologies during a **Retirement Party/ Holiday Open House** to be held on **Thursday, December 18th** from **1:00 to 3:00 p.m.** as we wish him joy, relaxation, and new adventure in this exciting new chapter over some festive cheer!

Congratulations on your retirement, Bob!
You'll be greatly missed and always appreciated.
