CAPITAL CREDIT PAY OUT END OF NOVEMBER

We are proud to announce that RC Technologies will be paying out \$638,718.60 in Capital Credits to its cooperative patrons this year.

Checks will be mailed out toward the end of November, which is a few weeks earlier than last year.

For amounts equal to or less than \$24.99, checks will not be written, but instead applied as a one-time credit to your monthly RC bill. Customers will see this credit on their December bill on the first page.

The Distribution of Capital Credits is a top benefit of belonging to a cooperative. Watch the Capital Credits Overview video on our YouTube channel, (RC Technologies New Effington, SD) to learn the *how, what, when, and why* of capital credits.

Veteran's Day 2026

Wednesday, November 11

Veterans are the PRIDE of our communities. Their service and commitment to our country is a reminder that our freedom shouldn't be taken for granted.

Shake a hand. Buy a lunch.

Attend a Veteran's Day event. Any day, especially Veteran's Day, is a day to remember to honor the brave men and women who served our nation both past and present, and thank them for the noble sacrifices they have made.

Thank you, Veterans!

Happy Thanksgiving!
We're Grateful for You!
